

Job Opening: Professional Driver- Full Time

About Cryopeak Energy Solutions Corporation: Cryopeak is a customer centric LNG solutions company providing safe and reliable LNG Virtual Pipeline services including LNG procurement, LNG transportation and LNG onsite equipment and support. Cryopeak is ISO 9001 certified, is a member of the Z276 technical committee and has an approved Emergency Response Action Plan (ERAP) under Transport Canada. On Feb 1, 2024, Cryopeak LNG Solutions and Ferus Natural Gas Fuels, jointly announced a strategic merger and the acquisition of Campus Energy Partners LNG Assets; with the entity name of Cryopeak Energy Solutions Corporation (“Cryopeak”). Through the merger and acquisition, Cryopeak will be the largest private, vertically integrated, LNG producer and service provider in Canada.

Job Description:

Cryopeak is looking for an experienced Full-Time driver to haul LNG from BC & AB to different mines and communities in Northern BC, Yukon & Northwest Territories & project locations, across Canada as required. Operating from a base in Northern, BC and Alberta, Cryopeak is operating state of the art equipment and is offering a competitive compensation package. Cryopeak is committed to efficiency, safety and compliance and is looking for drivers that can help fulfill this mandate.

Requirements & Qualifications:

- **Driving Experience:** Candidates must possess a minimum of 5 years of driving experience with semi-trailers, including handling dangerous goods.
- **Licenses & Certifications:** Holds a valid Class 1 Driver’s License, with a clean driving record and driver’s abstract. Proficient in operating electronic equipment and software, including E-Logs and Microsoft 365 Applications. Recent TDG certification is preferred, along with safety tickets including First Aid and WHMIS.
- **LNG Hauling:** Previous experience in hauling LNG is highly advantageous.
- **Responsibilities:**
 - Transporting, loading and unloading LNG. Proficient in conducting pre- and post-trip inspections.
 - maintaining electronic logs and completing all necessary paperwork.
 - Ensuring tools and equipment meet required standards.
 - Adhere to Hours of Service and Transport Regulations at all times.
 - Actively participates in incident reporting, near-miss and risk assessments, while identifying and mitigating safety hazards
 - Must be prepared for multi-day trips to remote locations, capable of working in extreme weather conditions.
 - Willing and able to undergo and pass industry-required drug and alcohol screening.
 - Must be legally eligible to work in Canada and haul dangerous goods under a multijurisdictional fleet.
- **Safety Focus & Awareness:** Demonstrates a professional approach to safety and transportation, adhering strictly to all traffic regulations. Proficient in driving in remote, cold, and extreme northern weather conditions. Capable of chaining tires when necessary.
- **Team Player:** Displays a cooperative attitude, caring for both colleagues and customers. Exhibits a positive and hardworking demeanor.
- **Environmental Compliance:** Always shows commitment to environmental compliance and safety work practices.
- **Training:** Cryopeak will provide its training program to the successful candidate
- **Union Position:** successful candidates are required to maintain good standing with Teamsters Local 213.
