TEAMSTERS LOCAL 213

ABOUT *the* TEAMSTERS

Teamsters contracts set the standard. Union wages average $2-3 an hour higher than non-union jobs in the same industries

You can't be disciplined on a whim or pushed out unfairly. You have representation — and legal protection — that works for you.

Teamsters 213 members sit across from employers as equals. You decide what's fair — and we stand with you to enforce it.
